In the eastern mountains
to the far-east lies an
ancient city. In this city
lies an ancient temple
where warriors from all
over the world go to
train their mind, body,
and spirit in hopes of
becoming one with the
earth. For generations,
grandmaster Yang has
taught the ancient
martial arts to his
students. If you're reading
this, you have recieved an
invitation to travel to his
camp and seek training
from the master. Beware,
for the road to
Yang's Den is a
treacherous one. To get
the directions to the
village, seek the aid of
Christopher The Barkeep.
